

Heritage Hills Band Boosters

PO Box 72
Santa Claus, IN 47579

Dear Heritage Hills Band Supporter,

The Heritage Hills Band Boosters support the proud legacy of the Heritage Hills Band programs. Director of Bands, Keith Dossett, and Guard Director, Katie Dossett, strive to educate the students in a tradition of excellence. This past winter the Marching Band traveled to Reitz High School and North Posey High School to participate in their first marching band contests in 7 years! Our Winter Guard performed at Floyd Central High School and won first place and was ranked 2nd overall for the season. Our Concert Band performed as well in this year's Castle Concert Festival, receiving a silver ranking for the prepared performance, as well as a gold ranking for our sight reading performance. We are about to begin our annual Band Camp, preparing for our 2019-2020 marching season. This year the marching field show theme will be "Tales of Arabia"!

Membership in a high school band program requires dedication, time, and money. The students in the northern Spencer County area going into the Heritage Hills High School Band program come from varied backgrounds. Mr. Dossett and Mrs. Dossett, in cooperation with the Heritage Hills Band Boosters, have done an excellent job keeping band fees low so that all students can participate. To help offset the cost of student fees students in band take part in various fundraisers that earn money directly towards their fees, in addition to general capital. Each year, instruments need repair and occasional replacement, music needs to be purchased, uniforms need repair and eventual replacement as well, and competitions can be costly. North Spencer School Corporation supports the education of band students, but only provides a small amount of funding.

The good news is that supporters like you can help the Heritage Hills Band programs. This year we are replacing several large instruments, adding more contests, and possibly replacing some of our transportation equipment. We are looking forward to your support to raise funds for these purchases, new music, and scholarship opportunities so that the band continues to be a strong program at Heritage Hills.

As you can see, excellent things are happening in the Heritage Hills Band programs. The band is growing and students are excited about the upcoming year. There are several ways that your organization can support the Heritage Hills Band programs. Contributions are tax deductible and provide valuable recognition to your company. We accept contributions of any amount. Sponsorship can occur at various levels from \$100 and up.

We encourage you to read the attached information, including sponsorship details and forms. If you have any questions about specific sponsorship opportunities or making any donation, please contact Marcanna Boultinghouse at (812) 489-1188.

On behalf of Keith Dossett, Katie Dossett, the Heritage Hills Band Boosters and the students and families of Heritage Hills Band programs, we sincerely Thank You for your support!

Sincerely,

Marcanna Boultinghouse, Heritage Hills Band Booster President
